## Recipient's Name, you're invited to One-to-one iPhone Photography Workshop

Thu 25 Mar at 10am, held online.

To bring: • Reliable internet access • Fully charged iPhone or iPad, this will be separate to a device with Zoom software loaded, that you will use for following instructions during the workshop. Please ensure this device is fully charged or connected to a power source with enough space to create new images. • A second device - computer, laptop, phone or tablet with a working webcam and microphone with Zoom installed - full instructions will be provided. Please ensure this device is fully charged or connected to a power source.
